

July 2019

Dear Friends,

This golf outing is organized by parents of children who were born prematurely and treated by the wonderful doctors and nurses of the Valley Hospital Neonatal Intensive Care Unit (NICU) in Ridgewood, NJ. They are grateful for the care provided and formed the **Valley Hospital NICU Golf Outing Committee** in 2001. Since then, they have raised a cumulative \$133,000 for Valley's NICU, a Level III nursery providing newborns with the specialized care needed to get them off to the best possible start in life.

On Tuesday, September 17, 2019, we invite you to participate in the *Seventh Annual Scramble Fore the NICU* at Crystal Springs Country Club located at 1 Wild Turkey Way in Hamburg, New Jersey. This fundraising event supports The Valley Hospital Neonatal Intensive Care Unit, and we expect more than 100 golfers to attend. The Valley Hospital Foundation invites you to demonstrate your commitment to this community through a corporate sponsorship. Benefits of sponsorship include:

Recognition Sponsors will reach a unique, local audience, committed to clinical excellence for our region through their support of The Valley Hospital Neonatal Intensive Care Unit.

Promotion Sponsors are listed in multiple Valley Hospital Foundation communications that are disseminated to thousands of individuals in Valley's devoted donor community, such as *Inside Valley* newsletter [mailed quarterly], and the Annual Philanthropy Report. In addition, sponsors will be featured in social media posts surrounding the event, through *Facebook*, *Twitter* and *Instagram* posts. All donors over \$1,000 will have their name displayed prominently in the main hospital corridor for a full year.

Please review the accompanying documentation for details. Thank you for considering joining the group of philanthropic corporate leaders who make this occasion special, and including The Valley Hospital Foundation in your 2019 giving plans.

Warm Regards,
